Tupari 2014 Late Harvest Riesling

The Tupari Riesling block is situated on a thin terrace stretching along the top of the cliff face with magnificent valley views. Warm days and cool nights combined to create the distinguishing character and rich flavours typical of this Awatere Valley wine.

In 2014 the conditions were perfect to create our first late harvest Riesling. We left the grapes on the vine for an additional month to encourage the noble rot to develop in ideal conditions. The health of the vines enabled nearly 100% botrytis cover, which concentrated the berries, finally adding apricot notes and complexity to the finished wine.

Once Glenn was happy with the berry shrivel and the flavours, we hand picked the grapes and the juice was carefully fermented.

The 2014 Tupari Riesling is a luscious late harvest dessert wine with delicious marmalade, honey and floral aromas, succulent apricot flavours and a long, elegant finish.
